Hello Ms. Crossland,

I wanted to reach out to you and let you know that I just received the attached letter from the Director's office regarding additional funds being available through the EPA Multi-Purpose Grant. IDA was thrilled to receive this, and I wanted to officially let you know that I am the contact person for our department on this grant.

IDA would like to tell you that we will be applying to accept the **\$33,706.00** available and I will be working on the paperwork to submit to you soon through Grants.Gov.

I have also attached the Notice of Intent Form filled in per your request.

Thank you again for allowing our department access to these funds. If you should need anything else, please contact me directly.
